

TUMBLING CLASSES INFORMATION

We are excited to launch our new tumbling classes program. Open to both EMCA Allstar members and non-members, we have created a brand new, completely custom system for our classes that makes it easy for athletes, parents and coaches to understand the elements of successful tumbling and monitor progress.

HOW DOES IT WORK?

We have four different levels of tumbling classes - White, Green, Black and Medals. Within each class, athletes will work to complete achievement sheets by showing mastery of different skills, drills and exercises. When an athlete completes a sheet they can move on to the next one, and once they complete all sheets in a colour they can move up to the next class and will even be able to buy a completion badge to show their achievement!

WHAT ARE THE DIFFERENT LEVELS?

WHITE	GREEN	BLACK	MEDALS
For those new to tumbling, working on mastering foundational skills and progressing through Allstar levels 1 and 2 passes. There are no entry requirements for this class	For those who have great basic skills and ability and are looking to progress through front and back handspring skills and Allstar levels 2 and 3 passes. Must have perfected walkovers and roundoffs.	For those with strong handsprings ready to progress to free-flipping skills and Allstar level 3 and 4 passes. Must have perfected multiple back handsprings in standing and running passes.	Includes Bronze, Silver and Gold level sheets for experienced tumblers working on elite skills and Allstar level 4, 5 and 6 passes. Must have perfected standing and running passes to tucks.

WHICH CLASS SHOULD I SIGN UP FOR?

Take a look at the entry requirements above and if still not sure ask us and we'll be happy to advise. Ideally athletes should be able to check off all skills on the previous colour sheets in order to qualify for a class. We want to make sure athletes are in the right classes and so will discuss with you if we think you're in the wrong one and reserve the right to restrict registration based on our assessment.
